**Fifth Practical Cognition Course**

1-2 November 2012

Research Beehive, Newcastle University

A course is for consultants and trainees in neurology, psychiatry, neuropsychology and rehabilitation medicine who want to develop their practical expertise in cognitive assessment and relate this to clinically relevant neuroscience:

This year’s programme will cover memory, hallucinations, sleep and motor function and cognition. Guest speakers include Kirsty Anderson (Newcastle), David Burn (Newcastle), Tom Kelly (Newcastle), Andrew Larner (Liverpool) and Peter Woodruff (Sheffield). The course is organised by neurologists Tim Griffiths (Newcastle) and Chris Butler (Oxford), sponsored by the Guarantors of Brain and accredited for CME points.

**EARLY BIRD RATE £200**
