## IFESS 2004 SECOND ANNOUNCEMENT

**9th ANNUAL MEETING  
 of the  
 INTERNATIONAL FUNCTIONAL  
 ELECTRICAL STIMULATION SOCIETY**

**'GETTING FES INTO CLINICAL PRACTICE'  
 including a special session on Neuromodulation**

**6-9TH SEPTEMBER 2004**

**BOURNEMOUTH INTERNATIONAL CENTRE  
 BOURNEMOUTH UK**

IFESS is the International Functional Electrical Stimulation Society and this is the first time that the meeting has been held in the UK. The first 2 days of the conference will be primarily clinical, with the second two days looking more closely at the technology behind the clinical advances. Delegates will be able to register for just the first two days or for the whole conference.

A number of training courses in FES techniques will be held before the conference on the 4th and 5th of September. See the conference web site for further details on the conference and training courses.

**End of early registration discount 15 June 2004**
